

# ORIGAMI BOOKMARKS

1. Fold piece of paper diagonally
2. Fold lower corner up to meet upper center point.
3. Repeat for the other corner
4. Open the triangles back up
5. Fold down ONE of the top sheets and crease/fold

6. Fold triangle flaps up and tuck INTO your bookmark
7. Repeat for the other side
8. Customize! See next steps for examples on how to customize your bookmark

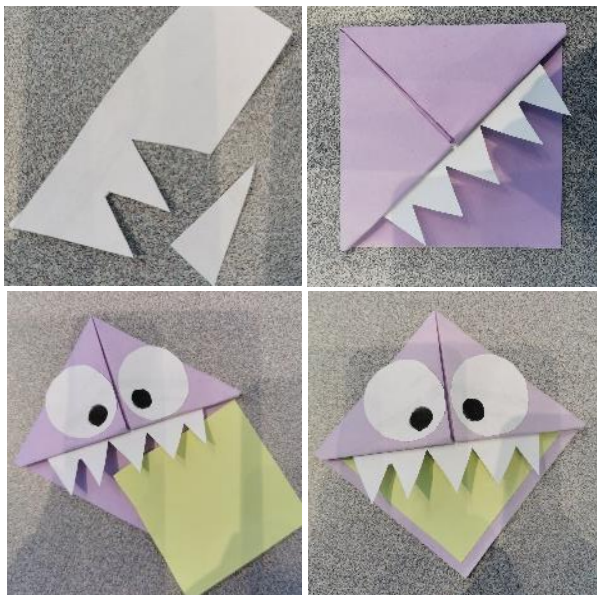

9. Cut out circles for eyes and glue them on
10. Colour in eyes

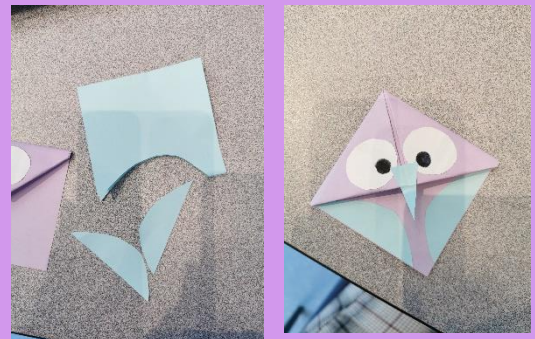

## MONSTER

- Cut out circles for eyes and glue them on. Colour in eyes
- Cut out rectangle from paper for teeth
- Cut triangles out of the bottom but leave space for them to be glued on
- Glue in teeth under the flaps
- Cut out square smaller than your bookmark, this will be the tongue
- Glue tongue on the back piece of paper

## OWL/BIRD

- Cut out circles for eyes and glue them on. Colour in eyes
- Cut out ovals for the wings
- Glue wings on left and right sides, with the straight edges of the wing and the bookmark matching
- Cut out triangle for beak
- Glue beak on the top of the bookmark in between the eyes
